SCOPE OF AUDIT: **# OF DHS CLIENTS: DOLLAR ERROR RATE:**

September 2021 12 <1% Total: 12 <1%

TOTAL OVERPAYMENT: \$45.90

FINDINGS:

A random sample audit was conducted for September 2021. The auditor completed a virtual visit through Microsoft Teams on November 16, 2021 at 10:00 a.m. with the owner, Terrie Vicknair.

During the audit, it was determined the provider failed to ensure accurate time and attendance information was recorded on the POS machine by a client. The provider did not review daily attendance records or void incorrect entries on the POS machine.

The Contracting with DHS for Child Care Subsidy Payments Handbook, Section A, states the provider must "agree to keep accurate business records and ensure that attendance information and payments made by DHS to your facility are accurate." Section J of the handbook states the provider is responsible for "monitoring daily attendance information through the Provider Web or POS machine reports and voiding all transactions that are not accurate."

SEPTEMBER 2021 EBT FULL AUDIT 3 STAR OVERPAYMENT: \$45.90

The auditor reviewed EBT entries for 9 client families with 12 children. Provider discrepancies were found.

- H097543 08: three days were adjusted for September 2021 as attendance shows only part time care was given during the hours the child was not in a head start program. No overpayment was written due to the weekly rate adjustment.
- KK20629479 01: one day was adjusted for September 2021 as attendance shows only part time care was given during the hours the child was not in a head start program. No overpayment was written due to the weekly rate adjustment. The non-traditional supplemental rate was disallowed for one day for September 2021 as the facility was closed during nontraditional hours. A provider overpayment was written.
 - KK20629479 04: one day was disallowed for September 2021 as the child was absent on attendance records. A provider overpayment was written.

CLIENTS:

The auditor conducted telephone interviews with three clients. All clients stated the provider requests they swipe their card daily. Two clients stated attendance is maintained on paper; one client stated attendance is maintained on paper and electronically. Two clients stated they receive written notice of missed swipes; one client stated they receive verbal notice of missed swipes. All clients stated the provider has never requested they swipe for days their child did not attend, or asked for their EBT card/PIN or ECC connect log-in information.

COMMENTS: Current license/permit posted? Yes Current rates posted? Yes

The hours of operation are Monday through Friday 7:30 a.m. -5:30 p.m. The facility is closed for the following holidays: New Year's Day, New Year's Eve, Martin Luther King Jr. Day, President's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the Friday after Thanksgiving, Christmas Eve, and Christmas Day. The facility does not close for an annual vacation, or training. The facility does close for school breaks. The provider does have a head start program. The provider does not have any DHS subsidized special needs children. Transportation is not provided. The owner declares the POS machine is located in the entryway.

Main St. Head Start Early Head Start 1333 W. Main Norman, OK 73069

NOTIFICATION OF CONTRACT/POLICY VIOLATION

OIG determined this provider allowed inaccurate entries to be transmitted through the EBT POS machine for payment. The provider should have voided any incorrect entries. The provider was advised to review their DHS provider contract and the provider's online Contracting with DHS for Child Care Subsidy Payments Handbook. This is the provider's first violation. DHS Adult and Family Services, Child Care Subsidy, will be notified of the violations.

PROVIDER WAS FOUND TO BE IN VIOLATION OF CHILD CARE PROVIDER CONTRACT

The findings of your facility's audit meet the requirement for review for possible cancellation of your DHS Provider Contract. This audit report will be forwarded to the DHS Adult and Family Services, Child Care Subsidy, for their review and determination as to what action, if any, will be taken regarding your contract.

Amendments to 45 CFR Part 1302

U.S. Department of Health and Human Services
Administration for Children and Families
45 CFR Chapter XIII
Part 1302
RIN 0970-AC77
Effective November 30, 2021

PART 1302 - PROGRAM OPERATIONS

Subpart D - Health Program Services

§ 1302.47. Safety practices.

- (a) A program must establish, train staff on, implement, and enforce a system of health and safety practices that ensure children are kept safe at all times. A program should consult Caring for our Children Basics, available at https://www.acf.hhs.gov/ecd/caring-our-children-basics, for additional information to develop and implement adequate safety policies and practices described in this part.
- (b) A program must develop and implement a system of management, including ongoing training, oversight, correction and continuous improvement in accordance with §1302.102, that includes policies and practices to ensure all facilities, equipment and materials, background checks, safety training, safety and hygiene practices and administrative safety procedures are adequate to ensure child safety. This system must ensure:
 - (1) Facilities. All facilities where children are served, including areas for learning, playing, sleeping, toileting, and eating are, at a minimum:
 - (i) Meet licensing requirements in accordance with §§1302.21(d)(1) and 1302.23(d);
 - (ii) Clean and free from pests;
 - (iii) Free from pollutants, hazards and toxins that are accessible to children and could endanger children's safety;
 - (iv) Designed to prevent child injury and free from hazards, including choking, strangulation, electrical, and drowning hazards, hazards posed by appliances and all other safety hazards;
 - (v) Well lit, including emergency lighting;
 - (vi) Equipped with safety supplies that are readily accessible to staff, including, at a minimum, fully-equipped and up-to-date first aid kits and appropriate fire safety supplies;
 - (vii) Free from firearms or other weapons that are accessible to children;
 - (viii) Designed to separate toileting and diapering areas from areas for preparing food, cooking, eating, or children's activities; and,
 - (ix) Kept safe through an ongoing system of preventative maintenance.

- (2) Equipment and materials. Indoor and outdoor play equipment, cribs, cots, feeding chairs, strollers, and other equipment used in the care of enrolled children, and as applicable, other equipment and materials meet standards set by the Consumer Product Safety Commission (CPSC) or the American Society for Testing and Materials, International (ASTM). All equipment and materials must at a minimum:
 - (i) Be clean and safe for children's use and are appropriately disinfected;
 - (ii) Be accessible only to children for whom they are age appropriate;
 - (iii) Be designed to ensure appropriate supervision of children at all times;
 - (iv) Allow for the separation of infants and toddlers from preschoolers during play in center-based programs; and,
 - (v) Be kept safe through an ongoing system of preventative maintenance.
- (3) Background checks. All staff have complete background checks in accordance with §1302.90(b).
- (4) Safety training. (i) Staff with regular child contact. All staff with regular child contact have initial orientation training within three months of hire and ongoing training in all state, local, tribal, federal and program-developed health, safety and child care requirements to ensure the safety of children in their care; including, at a minimum, and as appropriate based on staff roles and ages of children they work with, training in:
 - (A) The prevention and control of infectious diseases;
 - (B) Prevention of sudden infant death syndrome and use of safe sleeping practices;
 - (C) Administration of medication, consistent with standards for parental consent;
 - (D) Prevention and response to emergencies due to food and allergic reactions;
 - (E) Building and physical premises safety, including identification of and protection from hazards, bodies of water, and vehicular traffic;
 - (F) Prevention of shaken baby syndrome, abusive head trauma, and child maltreatment;
 - (G) Emergency preparedness and response planning for emergencies;

- (H) Handling and storage of hazardous materials and the appropriate disposal of biocontaminants;
- (I) Appropriate precautions in transporting children, if applicable;
- (J) First aid and cardiopulmonary resuscitation; and,
- (K) Recognition and reporting of child abuse and neglect, in accordance with the requirement at paragraph (b)(5) of this section;
- (ii) Staff without regular child contact. All staff with no regular responsibility for or contact with children have initial orientation training within three months of hire; ongoing training in all state, local, tribal, federal and program-developed health and safety requirements applicable to their work; and training in the program's emergency and disaster preparedness procedures.
- (5) Safety practices. All staff and consultants follow appropriate practices to keep children safe during all activities, including, at a minimum:
 - (i) Reporting of suspected or known child abuse and neglect, including that staff comply with applicable federal, state, local, and tribal laws;
 - (ii) Safe sleep practices, including ensuring that all sleeping arrangements for children under 18 months of age use firm mattresses or cots, as appropriate, and for children under 12 months, soft bedding materials or toys must not be used;
 - (iii) Appropriate indoor and outdoor supervision of children at all times;
 - (iv) Only releasing children to an authorized adult;
 - (v) All standards of conduct described in §1302.90(c); and
 - (vi) Masking, using masks recommended by CDC, for all individuals 2 years of age or older when there are two or more individuals on a vehicle owned, leased, or arranged by the Head Start program; indoors in a setting when Head Start services are provided; and for those not fully vaccinated, outdoors in crowded settings or during activities that involve sustained close contact with other people, except:
 - (A) Children or adults when they are either eating or drinking;
 - (B) Children when they are napping;
 - (C) When a person cannot wear a mask, or cannot safely wear a mask, because of a disability as defined by the Americans with Disabilities Act; or

- (D) When a child's health care provider advises an alternative face covering to accommodate the child's special health care needs.
- (6) Hygiene practices. All staff systematically and routinely implement hygiene practices that at a minimum ensure:
 - (i) Appropriate toileting, hand washing, and diapering procedures are followed;
 - (ii) Safe food preparation; and,
 - (iii) Exposure to blood and body fluids are handled consistent with standards of the Occupational Safety Health Administration.
- (7) Administrative safety procedures. Programs establish, follow, and practice, as appropriate, procedures for, at a minimum:
 - (i) Emergencies;
 - (ii) Fire prevention and response;
 - (iii) Protection from contagious disease, including appropriate inclusion and exclusion policies for when a child is ill, and from an infectious disease outbreak, including appropriate notifications of any reportable illness;
 - (iv) The handling, storage, administration, and record of administration of medication;
 - (v) Maintaining procedures and systems to ensure children are only released to an authorized adult; and,
 - (vi) Child specific health care needs and food allergies that include accessible plans of action for emergencies. For food allergies, a program must also post individual child food allergies prominently where staff can view wherever food is served.
- (8) Disaster preparedness plan. The program has all-hazards emergency management/disaster preparedness and response plans for more and less likely events including natural and manmade disasters and emergencies, and violence in or near programs.
- (c) A program must report any safety incidents in accordance with §1302.102(d)(1)(ii).

Subpart I - Human Resources Management

§ 1302.93. Staff health and wellness.

- (a) A program must ensure each staff member has an initial health examination and a periodic reexamination as recommended by their health care provider in accordance with state, tribal, or local requirements, that include screeners or tests for communicable diseases, as appropriate. The program must ensure staff do not, because of communicable diseases, pose a significant risk to the health or safety of others in the program that cannot be eliminated or reduced by reasonable accommodation, in accordance with the Americans with Disabilities Act and section 504 of the Rehabilitation Act.
 - (1) All staff, and those contractors whose activities involve contact with or providing direct services to children and families, must be fully vaccinated for COVID-19, other than those employees:
 - (i) For whom a vaccine is medically contraindicated;
 - (ii) For whom medical necessity requires a delay in vaccination; or
 - (iii) Who are legally entitled to an accommodation with regard to the COVID-19 vaccination requirements based on an applicable Federal law.
 - (2) Those granted an accommodation outlined in paragraph (a)(1) of this section must undergo SARS-COV-2 testing for current infection at least weekly with those who have negative test results to remain in the classroom or working directly with children. Those with positive test results must be immediately excluded from the facility, so they are away from children and staff until they are determined to no longer be infectious.
- (b) A program must make mental health and wellness information available to staff regarding health issues that may affect their job performance, and must provide regularly scheduled opportunities to learn about mental health, wellness, and health education.

§ 1302.94 Volunteers.

- (a) A program must ensure volunteers have been screened for appropriate communicable diseases in accordance with state, tribal or local laws. In the absence of state, tribal, or local law, the Health Services Advisory Committee must be consulted regarding the need for such screenings.
 - (1) All volunteers in classrooms or working directly with children other than their own must be fully vaccinated for COVID-19, other than those volunteers:
 - (i) For whom a vaccine is medically contraindicated;
 - (ii) For whom medical necessity requires a delay in vaccination; or

- (iii) Who are legally entitled to an accommodation with regard to the COVID-19 vaccination requirements based on an applicable Federal law.
- (2) Those granted an accommodation outlined in paragraph (a)(1) of this section must undergo SARS-CoV-2 testing for current infection at least weekly with those who have negative test results to remain in the classroom or work directly with children. Those with positive test results must be immediately excluded from the facility, so they are away from children and staff until they are determined to no longer be infectious.
- (b) A program must ensure children are never left alone with volunteers.

Head Start Vaccine and Mask Requirements Blocked in 25 States

January 3, 2022

Federal courts have blocked the implem	entation and enforc	cement of the	1.
uria de sur care de la dellación de la			 . : (the
Rule) in the following 25 states:			

Alabama, Alaska, Arizona, Arkansas, Florida, Georgia, Indiana, Iowa, Kansas, Kentucky, Louisiana, Mississippi, Missouri, Montana, Nebraska, North Dakota, Ohio, Oklahoma, South Carolina, South Dakota, Tennessee, Texas, Utah, West Virginia, and Wyoming.

The two courts that issued the decisions blocking the Rule were the By granting the respective states' requests for a preliminary injunction, enforcement of the Rule will be temporarily delayed until the courts have an opportunity to decide on the merits of the cases.

The Office of Head Start that Head Start, Early Head Start, and Early Head Start-Child Care Partnership grant recipients in the above states are not required to comply with the Rule pending future developments in the litigation. Note, however, that the OSHA vaccine-or-test and mask mandates that apply to employers with 100 or more employees and pending review by the U.S. Supreme Court. CAAs in states covered by the Head Start injunction should continue to prepare for implementation of the Rule by reviewing the steps in CAPLAW's and considering and considering reflecting the requirements of applicable vaccine and mask mandates. CAPLAW will continue to monitor developments related to this litigation and provide updates to the network as necessary.

Happy New Year! I hope you and your family had a wonderful holiday season.

Over the past two years, we have adjusted how we provide services in response to the COVID-19 pandemic. On December 2, 2021, an email was sent explaining the Interim Final Rule on Vaccine and Mask Requirements To Mitigate the Spread of COVID-19 in Head Start Programs. As of yesterday, federal courts have blocked the implementation and enforcement of the Interim Final Rule in 25 states, including Oklahoma. However, Crossroads Youth & Family Services, Inc. is still subject to the OSHA vaccine or weekly testing mandate.

So what does that mean?

MASKS

Employees will still be required to wear masks at all times. While the current lawsuits may alter the mask requirement, at this point in time, we are encouraging mask wearing for all children.

VACCINATION

Employees need to continue to keep their vaccination status updated in Paycom, and employees who are not fully vaccinated or who have not uploaded their vaccination card will be subject to weekly testing provided by Crossroads Youth & Family Services, Inc. starting February 7, 2022. Note, the OSHA requirements do not require exemptions, which means employees who are not fully vaccinated or who do not have an approved exemption will continue to be eligible for employment as long as they submit to weekly testing. Please be aware that depending on the outcome of the lawsuits, the option for weekly testing may be once again limited to only those employees with approved exemptions. Therefore, if you are in the process of becoming fully vaccinated, you are encouraged to continue to do so, and if you were planning on obtaining an exemption, it is recommended that you submit an exemption request for approval as soon as possible.

CHANGES TO CDC ISOLATION AND QUARANTINE PERIODS AS OF 12-27-2021

ISOLATION:

If you test <u>positive</u> for COVID-19, you should stay home for 5 days. If you have no symptoms or your symptoms are resolving after 5 days, you may return to work. If you have a fever, you should stay home until your fever resolves.

QUARANTINE:

If you are exposed to someone with COVID-19 AND

- you had the second Pfizer or Moderna COVID-19 vaccination over 6 months ago and are not boosted OR
- you had the J&J COVID-19 vaccination over 2 months ago and are not boosted OR
- you are unvaccinated,

then, you should stay home for 5 days and test on day 5, if possible. If you develop symptoms, you should be tested for COVID-19, and you should stay home until results are received.

If you are exposed to someone with COVID-19 AND

- you have received a booster COVID-19 vaccination OR
- you had the second Pfizer or Moderna COVID-19 vaccination within the last 6 months OR
- you had the J&J COVID-19 vaccination within the last 2 months,

then, you should test on day 5, if possible. If you develop symptoms, you should be tested for COVID-19, and you should stay home until results are received.

As we have done for the past 2 years, we will continue to monitor updates to these requirements and will notify you of any changes. Thank you for all that you do!

Best regards,

Kate Butler, Director of Administrative Services

Terrie Vicknair, HS/EHS Program Director

COVID-19 TESTING PROCEDURE

The following procedure applies to employees and volunteers who must undergo SARS-COV-2 testing for current infection at least weekly:

- 1. By the last Friday of the month, the agency will provide to the employee/volunteer SARS-COV-2 testing materials for the upcoming month. The employee/volunteer should confirm that s/he received all necessary testing materials and should store these materials in a safe, reliable, and temperature-controlled location.
- 2. Each Monday (unless another day of the week is designated by the Executive Director), the employee/volunteer will submit test results to the site supervisor.
 - Those who have negative test results may remain in the classroom or working directly with children.
 - Those with positive test results must contact the site supervisor by telephone call and must be immediately excluded from the facility, so they are away from children and staff until they are determined to no longer be infectious. The site supervisor should notify the chain of command in the event of any positive test result in order to appropriately document employee leave and to evaluate whether any quarantines for exposure and/or classroom or facility closure are required.
 - In the event of an invalid test, the employee/volunteer should take a second test and present both test results to the site supervisor. If the event that a second test is unavailable (i.e., at the end of the month), the employee/volunteer should present the invalid test result to the site supervisor and request a second test.

Failure to submit test results upon arrival for duty will result in immediate exclusion from the facility. Employees subject to exclusion for this reason will be placed on unpaid leave and will not be paid for hours missed. Repeated exclusions for failure to submit test results may subject an employee to disciplinary action, up to and including termination.

In the event that the employee/volunteer does not report to the facility on Monday (e.g., due to employee absence or facility closure), the employee/volunteer should submit test results on the day that s/he returns to the facility.

3. Each week, the site supervisor will record the results of the SARS-COV-2 test and the date that the test was provided on the form provided by the Human Resources Department for this purpose. Once test results are recorded, the tests should be discarded. By the last day of each month, the site supervisor will submit completed forms to the Human Resources Department for record keeping purposes.

Fw: Update on the Full Enrollment Initiative

From: Futrell, Bernadine (ACF) <Bernadine.Futrell@acf.hhs.gov>

Sent: Tuesday, December 21, 2021 9:18 AM **Subject:** Update on the Full Enrollment Initiative

Good morning,

Thank you for your continued engagement and sharing your experiences with the Office of Head Start. We sincerely appreciate you taking the time to voice your concerns and experiences with us. OHS has been following the pandemic changes and the surge in COVID-19 cases, both locally and nationally. In response to these recent developments concerning the Omicron variant, OHS will not resume evaluating which programs will enter into the Full Enrollment Initiative beginning in January 2022, as previously communicated. That said, OHS will continue to track enrollment, as OHS has done since September 2021. Additionally, we continue to expect full in-

person comprehensive services to be provided contingent upon CDC guidelines, state and local health department guidelines, and in consideration of local school districts' decisions.

Now, as throughout its history, Head Start is the face of hope when there is a crisis. This is a time for optimism and unity as a Head Start community. OHS is thankful for the incredible Head Start practitioners throughout the country who have kept services operational through the nearly two years of this national health emergency. We hope that taking this step will support programs as they continue to reach and support families and children during this moment of the pandemic.

We recognize that every day may look different as this pandemic continues to evolve. As such, we will remain flexible as well as follow data, to make the best decisions to protect children, families, and the Head Start community. While more details will be provided in the coming weeks, I wanted to share this update with you immediately as we go into the holidays.

Thank you

Head Start (OHS) expects EHS to be open 48 weeks 1,380 hours per year. As a result, the following additional policies will apply to EHS staff and other essential staff such as cooks, support staff or Center Directors who work in centers that have EHS classrooms.

Summer Break: Beginning with the summer break in 2014, Early Head Start employees may elect to take their one week summer break, taken in five consecutive days beginning on a Monday, during June or July. Those staff who are approved to take off the week containing the Fourth of July holiday will take their fifth day either the Friday before or the Monday after that week as appropriate and at the discretion of the Center Director. Requests must be submitted by May 15 to the Center Director, and will be considered on a first come, first served basis and then by seniority in the event that requests are received simultaneously. Employees who do not submit requests will be assigned by the Center Director to take leave as deemed necessary for appropriate staff to child ratio and overall program operations. Final summer scheduling shall be approved by the Area Supervisor in consultation with the Assistant HS/EHS Program Director and HS/EHS Program Director.

Winter Break: Early Head Start employees who work the second week of Winter Break (and who are eligible to be paid for the second week of Winter Break) will accrue up to five (5) days of paid time off (PTO). PTO must be requested by the employee and approved in advance by the Center Director as deemed necessary for appropriate staff to child ratio and overall program operations. PTO requests will be considered on a first come, first served basis and then by seniority in the event that requests are received simultaneously. PTO cannot be used the day before or the day after Spring Break. Where applicable, PTO must be used prior to using unpaid leave. PTO cannot be carried over from one school year to the next and expires if not used prior to the Memorial Day holiday. Upon separation from the program, an Early Head Start employee may collect pay for any unused and unexpired PTO. PTO may not be used in conflict with other leave policies.

Administrative Leave: The Head Start/Early Head Start Director, in consultation with the Executive Director, may grant administrative leave for such things as inclement weather or military duty. As a rule, Head Start/Early Head Start sites will follow public school closings in each respective local community. If employees do not report to work as a result of a public school closing due to inclement weather, they will be paid for their normal workday under administrative leave. When public school is delayed or closed early, Head Start/Early Head Start sites will follow the same schedule as the local public school in each community when feasible, and after all children have been picked up by parents or guardians, staff may leave as well. Administrative leave will be granted for this time off. The Head Start/Early Head Start Director, in consultation with the Executive Director, may ask staff to report to work even when the program is closed for the children if weather conditions permit reasonable travel. Staff may be allowed to report to work late and/or leave early based on current weather conditions as determined by the Head Start/Early Head Start Director, in consultation with the Executive Director.

NOTE: Administrative Leave for inclement weather is not meant to be uniformly applied on any given day from center to center or county to county, but rather based on local needs. Staff and child safety and each center's ability or need to respond to inclement weather conditions are considered.

During inclement weather, all employees are expected to report to work unless instructed otherwise by the Head Start/Early Head Start Director or his/her designee. If employees who reported to work are sent home due to inclement weather shut-down, they will be paid for the remainder of their normal work day under administrative leave.

Crossroads Head Start/Early Head Start will pay the CDA renewal fee for staff applying for CDA renewal for this program.

Employees must attend classes on their own time, outside of work hours and are responsible for their own travel, childcare and other associated costs.

TUITION ASSISTANCE: In an effort to assist employees who are working on completing either their Associate's degree or Bachelor's degree in Early Childhood Education, Crossroads Head Start/Early Head Start has set forth the following criteria for eligibility and priority for the funds available for those purposes.

Criteria for Eligibility and Priority

- 1. <u>Eligibility</u>. Only full-time employees who have successfully completed six months of employment with the Crossroads Head Start/Early Head Start program with a satisfactory Performance Evaluation will be eligible for tuition assistance.
- 2. <u>Priority and Percentage of Tuition Covered</u> Where the availability of funds is limited, tuition assistance for those employees working towards the completion of degrees will be given the following priority order.
 - a. Associate's Degree (100% Tuition Assistance for Early Head Start and Head Start, capped at the state public university rate for 12 credit hours per semester)
 - b. Bachelor's Degree (5100% Tuition Assistance for Early Head Start and Head Start, capped at the state public university rate for 12 credit hours per semester).
- 3. <u>Position Priority</u>. Employees in the position titles listed below will be given priority in the following order.
 - a. Teachers, Center Directors, Area Supervisors and Content Area Staff
 - b. Assistant Teachers
 - c. Family Advocates, Family Service Coordinators, and Classroom Support

4. Timeliness

- a. One-Year Tuition Assistance Application requests submitted by no later than November 15 of each year for the following school year will receive priority.
- b. Applications submitted after November 15 will receive consideration on a "first come, first served" basis as funds are available.
- 5. <u>Elective Courses</u>. Only tuition assistance requests for recommended courses for an early childhood education degree will be honored. Unrelated coursework to the major field of study will not be eligible for tuition assistance.
- 6. <u>Available Funds</u>. Prior to each contract period, Crossroads YFS Administration will determine the amount of funds available for tuition assistance for the contract period. Once determined, those available funds will be divided among the Spring, Summer and Fall semesters according to a formula determined by Administrative Staff. Funds will then be

Accessibility Information Report 2021- 2022

The Accessibility Information Report is a document that Project Managers may use to document the efforts of Crossroads Youth & Family Services toward accessibility and the removal of barriers for the persons served, Crossroads personnel, and other stakeholders.

Crossroads YFS addresses accessibility issues in order to:

- Enhance the quality of life for those served;
- Implement nondiscriminatory employment practices;
- Meet legal and regulatory requirements;
- Meet the expectations of stakeholders in regard to accessibility.
